TECHNICAL EDUCATION – ANDHRA PRADESH TECHNICAL EDUCATION SERVICES - Communication of Final Seniority List of Heads of Sections in Engineering and Non-Engineering in Government Polytechnics as on 01-09-2009 – Orders - Issued.

HIGHER EDUCATION (TE.I) DEPARTMENT

G.O.Ms.No. 11.

Dated: 03-02-2010.

Read:-

From the CTE, Hyd., Lr.No.C1/17274/2009, Dt.17-11-2009.

ORDER:-

In the reference read above, as per Note 4 under Rule 3 of the Special Rules for APTES issued in the G.O.Ms.No.178, Higher Education (TE.I-2) Department, Dated: 09-12-2005, the Commissioner of Technical Education, A.P., Hyderabad, has furnished a Provisional Inter-Se-Seniority List of Heads of Sections in Engineering and Non-Engineering in Government Polytechnics who have completed 05 years of service in the feeder category as on 01-09-2009 based on their service reckoned from the date of regular appointment to the initial Gazetted post of Senior Lecturer which was communicated to the individuals concerned along with the Commissioner of Technical Education Circular Memo. Dated: 09-10-2009. The Commissioner of Technical Education has examined the objections received from the incumbents and forwarded the same together with his remarks to Government with a request to examine the objections and to communicate the final seniority lists of Heads of Sections in Engineering and Non-Engineering in Government Polytechnics as on 01-09-2009.

2. The Government, after careful examination of the objections raised on the provisional seniority list and (with their Serial Numbers in the provisional seniority list given in brackets), duly taking into consideration the remarks offered by the Commissioner of Technical Education on each of them, have come to the conclusion as indicated below:-

1) Sri.K.Rajendra Prasad (S.No. 8 -Engg.): The individual has raised objection that the date of his regular appointment as Lecturer is 7-12-1985, but the same is shown as 17-12-1985. He, has therefore, requested to rectify the same and put him at Sl.No.7 instead of Sl.No.8.

His request is considered and the date of regular appointment is corrected and consequently shown at Sl.No.7 and Sri Z.Ramesh Babu at Sl.No.8 in the seniority list.

2) Sri. P.Subbarayudu (S.No.1 – Non-Engg.) : The individual has represented that he has passed the M.Pharmacy (Pharmaceutical Chemistry) from Kakatiya University in First Class in June, 2009 and requested to include the M.Pharmacy qualification in the seniority list.

His request is considered and the qualification of M.Pharmacy First Class is incorporated in the seniority list.

Contd...2/p

3) Sri N.S.Venkatesh Kumar (Sl.No. 25 –Engg.) The individual has represented that he did M.Tech in Industrial Engineering & Management from J.N.T.U in July, 1994 whereas the subject studied in M.Tech has been mentioned as Industrial Engineering. He, therefore, requested to correct the subject in the seniority list. He also represented that he passed Accounts Test for Executive Officers held on 27-06-1986 and therefore, requested to incorporate the same in the seniority list.

His request is considered and the same is incorporated in the seniority list.

4) Sri A.Prabhakar Reddy (Sl.No. 65- Engg.) The individual has represented that the list of eligible candidates who completed (5) years of service as Head of Section as on 1.9.2008 may kindly be considered for promotion to the posts fell vacant in the panel year 2008-09 as per Hon'ble Supreme Court Judgment in (3) cases, viz., State of Rajasthan Vs Sri R. Dayal and others, Sri Arjun Singh Rathor and others Vs. Sri B. N. Chatturvedi and others and VK Srivastava and others Vs Govt. of U.P. and another, so as to do justice to him avoiding those who were then not completed (5) years of Service as on 1.9.2008 and now completed (5) years of service as on 1.9.2009.

As in Note-4 under Rule-3 of the Special Rules for APTES issued in G.O.Ms.No. 178, Higher Education (TE.2) Department, Dated 9.12.2005, the provisional Inter-se-Seniority list of Heads of Section in Polytechnics who have completed (5) years of service in the feeder Category i.e., Head of Section has been prepared based on their service reckoned from the date of regular appointment to the post of Senior Lecturer for promotion to the post of Principals of Polytechnics for the panel year 2009-10 and the same was communicated vide Commissioner of Technical Education's Circular Memo. No. C1/17274/2009, dated 9.10.2009 advising the candidates to file objections, if any. Hence, the request of the incumbent has nothing to do with the seniority list so communicated and as such the question of considering the same does not arise at all. The objection raised by the individual is not sustainable and the same is therefore overruled.

5) Sri C. Kesavachandra Rao (Sl.No. 42 Engg.): The individual has represented that he was promoted as Senior Lecturer on 4.1.1989, but in the seniority list it is shown as 1.4.1989. He further represented that he completed his Ph.D. in Water Resources Engineering from JNTU, Hyderabad in June, 2009. He, therefore, requested to incorporate his Ph.D. qualification and correct the date of his regular appointment to the post of Senior Lecturer in Engineering as 4.1.1989.

His request is considered and his Ph.D. qualification is incorporated in the seniority list and his date of regular appointment to the post of Senior Lecturer is corrected as 4.1.1989.

6) Sri P.V.V.Devanand (Sl.No. 33 Engg.):- The individual has represented that he went to USA for employment from 10.2.1999 to 18.7.2002 and resumed duty on 19.7.2002 and the said period has been regularized in Commissioner of Technical Education Memo. NO. G4/37098/99, dt. 20.6.2003; that during the year 2001 promotions were given to the posts of Heads of Mechanical Engineering Section and his name was not included in the promotion list, as he was in USA at that time; that his juniors viz., Sri KNS Prakasa Rao, Sri M. Seshagiri Rao, etc., have been promoted as

Contd...3/p

Heads of Mechanical Engineering Section during the period from June, 2001 to October, 2001 and he, therefore, requested to consider his case for notional promotion to the post of Head of Mechanical Engineering Section w.e.f. 25.6.2001 on par with Sri KNS Prakasa Rao, HMES and arrange to make appropriate changes in the seniority lists.

As in Note-4 under Rule-3 of the Special Rules for APTEs issued in G.O.Ms.No. 178, Higher Education (TE.2) Department, Dated 9.12.2005, the provisional Inter-se-Seniority list of Heads of Section in Polytechnics who have completed (5) years of service in the feeder Category i.e., Head of Section has been prepared based on their service reckoned from the date of regular appointment to the post of Senior Lecturer for promotion to the post of Principals of Polytechnics for the panel year 2009-10, and the same was communicated vide Circular Memo. No. C1/17274/2009, dated 9.10.2009 advising the candidates to file objections, if any. The date of promotion to the post of Head of Section has nothing to do with the seniority list prepared based on the service reckoned from the date of regular appointment to the post of Senior Lecturer i.e., based on vertical seniority. Therefore, his request to consider his promotion to the post of Head of Mechanical Engineering Section notionally w.e.f 25.6.2001 on par with his junior Sri KNS Prakasa Rao is not relevant to the issue in question and the question of considering the same does not, therefore, arise. The objection raised by the individual is not sustainable and the same is, therefore overruled.

7) Sri T.S.Manik Prabhu, Sri I.Somasunder Rao, Sri P.Shyamsunder Reddy, Sri G.Daniel Venkata Ratnam and Sri M.Seshagiri Rao (Sl.Nos.64, 12, 49, 69, 50-Engg.):

The individuals have represented that they were elevated due to ineligibility of certain candidates for want of higher qualification or length of service as prescribed in G.O.Ms.No. 178, HE (TE,2) Department, Dated:9.12.2005, and they were sure to get promotion in the panel year 2008-09; that as per G.O.Ms.No. 337, General Administration (Services-B) Department, Dated: 18.6.1983 the posts available in a panel year are to be earmarked only for the eligible candidates of that year; that the Supreme Court in their Judgment dated 25.10.1996 in Union of India and others Vs Vipin Chandra Hiralalshah has directed the Government to prepare a separate list of eligible candidates for each panel year as well as Number of posts that are vacant in each panel year and to fill up those posts with those candidates eligible for that panel year only and therefore requested to do justice by considering the panel year 2008-09 and issue promotions to them from the list of eligible candidates.

As per Note-4 under Rule-3 for the Special Rules for A.P.T.E.S. issued in G.O.Ms.No. 178, Higher Education (TE.2) Department, Dated 09.12.2005 for the purpose of promotion to the posts of Principals of Government Polytechnics, a common seniority list of Heads of Sections in Polytechnics who have completed (5) years of service in the feeder category i.e., Head of Section shall be prepared based on their service reckoned from the date of regular appointment to the initial Gazetted post i.e., Senior Lecturer as clarified by Government in their Memo. No. 256/TE.I/A2/2005-4, Higher Education (TE.I) Department, Dated 27.06.2006. Accordingly, the provisional Inter-se-seniority list of Heads of Sections who have completed (5) years of service in the feeder category of Head of Section as on 1.9.2009 was prepared and communicated vide CTE Memo. No. C1/17274/2009, dated 9.10.2009 inviting objections if any, from the individuals concerned.

Contd...4/p

The request of the incumbents to prepare separate panels for the vacant posts available in the panel year 2008-09 with the candidates eligible for promotion to the posts of Principals in Government Polytechnics during that panel year and for the posts available in the current panel year 2009-10 with the candidates eligible during the current panel year 2009-10 with reference to the orders issued in G.O.Ms.No. 337, GA (Services-B) Department, Dated: 18.6.1983 and as per the direction given by the Supreme Court in their Judgment dated 25.10.1996 in Union of India and others Vs Vipin Chandra Hiralalshah has nothing to do with the provisional seniority list communicated and it is, in fact, irrelevant to the issue of seniority. The request is therefore, rejected. The objection raised by the individuals is not sustainable and the same is therefore overruled.

8) Sri K.Venkataramana Babu (Sl.No. 62 - Engg.):- The individual has represented to correct his name as "K. VENKATARAMANA BABU" and the qualification as "M.Tech First Class (Power System Operation and Control)"

His request is considered and necessary corrections carried-out in the seniority list.

9) Sri B.Demudu (Sl.No. 61 - Engg.):- He represented that he was appointed as Demonstrator in Chemical Engineering on 19.3.1982 and acquired AMICHE in March, 1988 which is the requisite qualification for promotion to the post of Lecturer (now called Senior Lecturer) in Chemical Engineering; that he represented in 1988 to promote him as Lecturer in the existing vacancy in Zone-1 conducting DPC, but the Department did not consider the same and he was promoted as Lecturer w.e.f. 19.3.1990 as per G.O.Ms.No. 948; had the request been considered his name would have figured at Sl.No. 36 instead of 61 and therefore, requested to consider his request by conducting review DPC as was considered in the case of Sri R.V. Ramana, Head of Metallurgical Section.

He further represented that his name was proposed for consideration by DPC in their meeting held on 31.8.2009; that again the provisional seniority list has been communicated for the panel year 2009-10 by including additions in the list on account of completion of (5) years as Head of Section and therefore, requested to keep all such additions after his name in the seniority list now communicated.

10) Smt.B.Nagamani (Sl.No.19 Non- Engg.):-

The individual has represented that she was the only qualified candidate in DGT Section with First Class Post-Graduation in the concerned subject i.e., Textiles and Clothing in the entire State; that the post of Lecturer in DGT Section fell vacant in January, 1987; that she was made Lecturer under G.O.Ms.No. 948 in February, 87 instead of considering her case for promotion by holding DPC; that for those who were promoted under G.O. 948 along with her, DPC was also conducted for them in sanctioned vacancies but the same benefit was not extended to her and therefore, requested to consider her case by conducting review DPC as per G.O.Ms.No. 337, dated 18.6.1983 and protect her seniority against her seniors.

For Serial No.9 and 10, It is submitted that promotions to the posts of Lecturer (now re-designated as Senior Lecturers) are given through a duly constituted Departmental Promotion Committee after getting the names of eligible candidates

Contd..5/p

empanelled for such promotion and after going through the relevant records by members of the committee. Even such empanelment does not confer any right on any candidate to claim promotion. As such one cannot claim promotion as a matter of a right with reference only to the availability of vacancy.

Having adopted the orders re-designating them as Lecturer in terms of the orders of Unification of Cadres issued in G.O.Ms.No. 948, LEN&TE Dept., dated 23.12.1982 the candidates cannot now claim to consider them as DPC candidates, after a lapse of more than a decade, by conducting review DPC.

In the case of Sri R.V.Ramana Rao, the circumstances for consideration of his case by Review Departmental Promotion Committee are mentioned below:

Sri R.V. Ramana Rao, Head of Metallurgical Engineering Section represented that his case was not considered for promotion to the post of Lecturer in Metallurgy, although the case of one Sri U.V.S.N. Murthy, Head of Metallurgical Section, who is his junior in service was considered for such promotion against the vacancy existing at that time. The Government after carefully examining the matter and the special circumstances unique to the case where a senior member of service in the same Department i.e., Department of Metallurgy was overlooked and his junior was considered decided to redress the anomaly. Accordingly, the Review Departmental Promotion Committee met and considered the issue and on its recommendations, Government have ordered to advance the date of regularization of Sri R.V. Ramana Rao in the category of Lecturer in order to protect his seniority over Sri U.V.S.N. Murthy. Therefore, the cases of the petitioners do not come in the same category as that of Sri R.V. Ramana Rao.

As per the orders issued in G.O.Ms.No. 235, LEN&TE (TE.2) Department, dated 29.8.87 read with Government Memo. No. 256/TE.1/A2/2005-04, Higher Education, dated 27.6.2006, the Heads of Sections both in Engineering and Non-Engineering who were promoted as Senior Lecturers (earlier as Lecturers) during the period upto 1989 through DPC have to be placed above the Non-DPC candidates in the seniority list for promotion to the posts of Principals of Polytechnics.

In view of the above, the request of the candidates to conduct review DPC for considering their cases for promotion to the post of Lecturer (now re-designated as Senior Lecturer) and to show them as DPC candidates in the seniority list cannot be considered at this belated stage and the same is, therefore, rejected.

As in Note-4 under Rule-3 of the Special Rules for APTES issued in G.O.Ms.No. 178, Higher Education (TE.2) Dept., Dated 9.12.2005, the provisional Inter-se-Seniority list of Heads of Sections in Polytechnics who have completed (5) years of service in the feeder Category i.e., Head of Section has been prepared based on their service reckoned from the date of regular appointment to the post of Senior Lecturer for promotion to the post of Principals of Polytechnics for the panel year 2009-10 and the same was communicated vide CTE Circular Memo. No. C1/17274/2009, dated 9.10.2009 advising the candidates to file objections, if any. Their requests to show the Heads of Sections who have completed (5) years of service in the category of Head of Section as required in the Rules for promotion to the post of Principals of Polytechnics by 1.9.2009 after their names cannot be considered and therefore, rejected. The objection raised by the individuals is not sustainable and the same is therefore overruled.

January, 1987 in terms of G.O.Ms.No. 948 and they are all made senior to him; that he approached the Hon'ble APAT by filing O.A. NO. 5502/2000 and the Tribunal in their order dt. 22.12.2004 on the O.A. clearly stated that all the Demonstrators who were appointed after his joining are junior to him and asked the Director of Technical Education to implement the same; that the Judgment was misinterpreted and the Department rejected to implement the judgment; that he once again approached the Hon'ble APAT by filing O.A.No. 7508/2007 and the O.A. is pending as on date; that once again he requested to implement the order of Hon'ble APAT but the same was rejected by G.O.Ms. No. 94, Higher Education (TE.2) Department, Dated. 27.7.2009 and therefore, requested to re-examine his case and protect his seniority stating that in the event of protection of his seniority he is ready to withdraw the O.A. pending in the Hon'ble APAT.

Contd..7/p..

In their order dated: 2-12-2004 in O.A.No.5502/2000 filed by the incumbent the Hon'ble Tribunal observed that the incumbent was appointed in the year 1983 as Demonstrator with the qualification of Diploma and he can be considered over and above the persons who are recruited subsequent to the year 1983 onwards as demonstrators and later redesignated as Associate Lecturers by giving 05 years time for acquiring the qualification of Degree for the purpose of Treating them as Associate Lecturer by virtue of the implementation of G.O.Ms.No.948, dated: 23-12-1982. The Tribunal further observed that the order passed by the Appellate Authority treating the persons who are appointed as Demonstrators in 1983 and subsequently as seniors is not in order and they are necessarily to be treated as juniors to the applicant and that if the Applicant acquired Degree within the period of (05) years prescribed by the Authorities then modification should made in the seniority and accordingly disposed off the O.A. and pass appropriate orders. As per the Orders of Government issued in G.O.Ms.No.948, LEN&TE Department, Dated: 23-12-1982 read with G.O.Ms.No.8, LEN&TE Dept., dated: 5-1-1987 Demonstrators with Diploma qualification with less than (05) years of service as Demonstrator is to be designated as Assistant Lecturer and, as and when, he completes (05) years of service or acquires Degree has to be designated as Associate Lecturer and later to be designated as Lecturer, as and when he acquires a Degree and completes (03) years of service as Associate Lecturer. The incumbent was initially appointed as Demonstrator on 18-7-81 with the Diploma qualification and in the light of the orders issued in G.O.Ms.No.948 and 8 he was redesignated as Associate Lecturer w.e.f. 18-7-86 and on his acquiring the Degree qualification on 2-7-89 he was redesignated as Lecturer w.e.f. 18-7-89. In pursuance of the direction of the Tribunal the issue was examined and the incumbent was informed vide CTE Memo. No. G4/26304/04, Dated 01.02.2005, that he has not acquired Degree within (05) years from 18.07.1981 and the Inter-se-Seniority list already prepared and communicated vide CTE Circular Memo. dated 15.3.1999 need not be modified or changed Therefore, his seniority is reckoned with reference to the date of his regular appointment to the post of Lecturer (now called as Senior Lecturer) for the purpose of promotion to the post of Principal. Thus his request to show him as senior to those who were appointed as Demonstrators later to him and redesignated as Associate Lecturers could not be considered and the same was over ruled already vide G.O.Ms.No. 94, Higher Education (TE.I) Department, Dated: 27.7.2009. As he did not put forth any additional or new point as also that the matter is sub-judice, his request to re-examine his case to protect his seniority cannot be considered and therefore, be rejected. The objection raised by the individual is not sustainable and the same is therefore overruled.

16) Sri K.R.Krishnam Raju (Sl.No. 22 –Non-Engg.) :-

The individual represented to correct the qualification as M. Pharmacy First Class.

His request is considered and necessary correction carried-out in the seniority list.

17) Sri A.Lingam (Sl.No. 39- Engg.): -

The individual represented to correct the date of his promotion as Head of Section as 22.03.2004.

His request is considered and necessary correction carried-out in the seniority list.

Contd..8/p

18) Smt.A.Padmavathi (Sl.No. 75-Engg.): -

The individual represented to show her as DPC Candidate instead of NON-DPC and to correct the qualification as M. Tech. in Computer Science & Technology in First Class.

Her request is considered and necessary corrections carried-out in the seniority list.

19) Sri R.Shankar (Sl.No. 10- Engg.) :-

The individual represented that if G.O. 178 is followed and the Heads of Sections who do not possess the requisite Post Graduate qualification are disqualified he would stand at Sl.No.5 in the seniority list and therefore, requested to consider his seniority as per G.O.Ms.No. 178, Higher Education (TE.2) Department, Dated: 9.12.2005.

As in Note-4 under Rule-3 of the Special Rules for APTEs in G.O.Ms.No. 178, Higher Education (TE.2) Department, Dated 9.12.2005, the provisional Inter-se-Seniority list of Heads of Section in Polytechnics who have completed (5) years of service in the feeder Category i.e., Head of Section has been prepared based on their service reckoned from the date of regular appointment to the post of Senior Lecturer for promotion to the posts of Principals of Polytechnics for the panel year 2009-10 and the same was communicated vide CTE Circular Memo. No. C1/17274/2009, Dated 9.10.2009 advising the candidates to file objections, if any. His request to show him at Sl.No. 5 in the seniority list by disqualifying the Heads of Section who do not possess the requisite Post Graduate qualification, is not sustainable and the same is rejected.

20) Sri M.Mahesh (Sl.No.16 – Engg.)

The individual represented to correct his qualification as B. Tech. First Class with distinction and M. Tech. First Class with distinction (Structural Engineering) and B. Tech. Ed. First Class with distinction and the date of promotion as Head of Section as 1.7.2001.

The request of the incumbent is considered and necessary corrections carried-out in the seniority list.

21) Dr.T.Narayana (Sl.No.7 – Non-Engg.)

The request of the incumbent is considered and the qualification of M.Com. First Class incorporated in the seniority list.

Contdd..9/p

22) Sri C.Narendranath Reddy (Sl.No.68 – Engg.)

The individual represented to show him as DPC candidate; that he filed O.A. No. 6627 of 2006 in the Hon'ble APAT and the said O.A. is allowed by Hon'ble APAT; that the Department challenged the said orders of the Tribunal in the Hon'ble High Court and obtained Stay that the Hon'ble High Court directed him to approach the Hon'ble APAT to clear a judicial technical objection and accordingly he filed O.A No. 7363 of 2008 which is pending disposal in the Hon'ble APAT and therefore, requested to keep the finalization of Inter-se-seniority list in abeyance till the O.A. is disposed off or in the alternative to array his name in the Inter-se-seniority list at Sl.No.3 as was placed vide CTE Memo.No.C1/24/2003, Dated. 30.6.2003.

The request of the incumbent to show him as DPC candidate is considered and necessary correction made in the seniority list. As there is no stay or any interim order granted in O.A. No. 7363 of 2008 filed by him in the Hon'ble APAT, his other request to keep the finalization of the Inter-se-seniority list of Heads of Section in abeyance till the O.A. is disposed off or to show him at Sl.No.3 in the seniority list cannot be considered and the same is rejected.

23) Sri A.William Carry (Sl.No.98 – Engg.)

The individual represented that the Cadre strength of Principals being 94, the quota for SCs works-out to (14) against which there are (09) Principals of SC community working now; that there is shortage of (05) in respect of SC Candidates; that he being an SC candidate and his promotion to the post of Senior Lecturer being 1-4-1999 his seniority will change as per G.O.Ms.No. 178, and therefore requested to examine and consider his objection for revision of his seniority and Roster point for SCs for the post of Principals

As in Note-4 under Rule-3 of the Special Rules for APTES issued in G.O.Ms.No. 178, Higher Education (TE.2) Department, Dated 9.12.2005, the provisional Inter-se-Seniority list of Heads of Section in Polytechnics who have completed (5) years of service in the feeder Category i.e., Head of Section has been prepared based on their service reckoned from the date of regular appointment to the post of Senior Lecturer for promotion to the post of Principals of Polytechnics for the panel year 2009-10 and the same was communicated vide CTE Circular Memo.No.C1/14274/2009, Dated 9.10.2009 advising the candidates to file objections, if any. Based on the date of his promotion i.e., 1.4.1999 to the post of Senior Lecturer 1.4.1999, his seniority was fixed and he was shown at the appropriate place i.e., Sl. No. 98 in the seniority list. At the time of considering empanelment of eligible candidates for promotion to the posts of Principals the adequacy or inadequacy in respect of SC representation will be taken up and accordingly the panel will be approved for the panel year 2009-10. Shortage of SC representation in the category of Principal will not change his place in the seniority list communicated vide CTE Circular Memo. No. C1/14274/09, Dated 9.10.2009. The question of revision of his seniority with reference to the shortage in SC representation in the category of Principals of Polytechnics, does not arise and his objection is therefore irrelevant and the same is, therefore, rejected.

In view of the facts mentioned above, the Government, after careful examination of the provisional seniority list of Head of Sections in Engineering and Non-Engineering branches, submitted by the Commissioner of Technical Education, while disposing of

Contd...10/p

the objections raised by certain Heads of Sections as mentioned above, hereby finalize and communicate the final seniority list of Heads of Sections in Engineering and Non-

Engineering in Government Polytechnics, as annexed to the G.O to the Commissioner of Technical Education, with a direction to communicate the same to all the Heads of Sections concerned.

4. The Commissioner of Technical Education, Hyderabad shall take necessary action as instructed above.
